Federal Capability Statement – Rapiert Solutions, Inc.

Company Overview

Rapiert Solutions, Inc. is a Service-Disabled Veteran-Owned Small Business (SDVOSB) founded in 2002 with a proven track record of delivering enterprise-level IT, logistics, and administrative support services to federal agencies. We are ISO 9001 and 27001 certified, ensuring quality management and information security. Additionally, we maintain a Secret Facility Clearance, enabling us to support sensitive government operations.

Core Competencies

Rapiert Solutions specializes in providing mission-critical support services to federal agencies across multiple domains:

✔ IT & Cybersecurity Services

- Enterprise IT support & help desk services
- Network security & vulnerability management
- Cloud computing & data center operations
- Insider threat detection & mitigation
- Compliance with NIST, FISMA, and FedRAMP

✔ Logistics & Facilities Support

- Mailroom & copy center management
- Warehouse & asset tracking
- Shipping, receiving & distribution services
- Inventory control & supply chain optimization

✔ Program & Administrative Support

- Contract management & acquisition support
- Training & compliance programs
- Financial & budget analysis
- Human resources & personnel support
